

# **DROP OFF AND PICK-UP SAFETY POLICY**

Children's safety is of the utmost importance.

1. At no time should anyone cross in the middle of the street. **You must go to the corner to cross.** Do not stop in the cross walk!
2. There are three types of drop off & pick up situations: simple, assisted, and parked.
  - a. **Simple**: The driver comes to a rolling stop and lets the student(s) in or out of the car at the front door. If the driver must get out of his/her seat, then it is not simple and should not happen at the front door of the school.
  - b. **Assisted**: The driver gets out of his/her seat to assist a student, but does not leave the car. An assisted drop off/pick up should happen in front of the gym or the church, not at the front door of the school.
  - c. **Parked**: The driver must leave the car to assist a child or to take care of some other business. Cars should not park in front of the school or gym for any reason during morning drop off or afternoon pick up. It is posted on the street signs in front of the school "No Parking"! If you must park, please use the municipal lot, or the surrounding streets, but remember to model good behavior and cross only at the corner.

**THERE IS NO PARKING IN THE FENCED IN AREA NEXT TO THE SCHOOL**
