

School Uniform Information Update

Last week you received catalogs for both Schoolbelles and Lands End. There was a misprint in the Schoolbelles catalog regarding mandatory items. They are as follows:

It reads that monogrammed polo shirts were a mandatory item. This is not true. You can purchase polo shirts without the monogram and still follow the school uniform code. Schoolbelles only sells the polo shirts with the monogram on them.

Gym shorts were listed as a mandatory item. This also is not true. Gym uniforms are mandatory, but if you only want to purchase the pants, and not the shorts that is totally up to you.

Lastly, they do not list sweaters available in Maize (yellow). This is because they do not carry the Maize sweater. Maize sweaters are allowed and may be purchased from Lands End.
