Non Discrimination Policy: In accordance with Christian principles, the St. Joseph Catholic School admits students of any gender, race, color, or ethnic origin to all the rights, privileges, programs, and activities. In addition, the school will not discriminate on the basis of gender, race, color, or ethnic origin in administration of its educational policies, scholarships, athletics, fee waivers, and extracurricular activities. In addition, the school is not intended to be an alternative to court administrative agency ordered, or public school district initiated desegregation.

The philosophy of St. Joseph Catholic School concerning admission is based on the belief that children have diverse capabilities and individual patterns of growth and learning. Because resources for special educational services are limited, we cannot always meet the special needs of some students. In this situation, every effort will be made to assist the family with enrollment in another Catholic school, or public school, offering specialized programs to meet individual needs.

Please **sign below** to indicate that you have read this form. Each parent, as a natural guardian of his/her child, is presumed to have full authority regarding tuition, record release and enrollment, unless a court order restricts that authority. If custody is given by the courts to one parent, that parent has responsibility for communication and financial obligation. The Buckley Amendment requires that non-custodial parents be given information about the student's progress in school as well as unofficial copies of report cards unless there is a court order to the contrary.
