	<p><u>OPEN FORUM</u></p>	

- Concerns that confirmation should be an 8th grade sacrament not a 9th grade.
- Concerns that there are once a month retreats to prepare for first communion with parents and children. Students who attend St. Joseph School should not have to attend these monthly retreats because they are getting much more preparation at school as opposed to students who just attend catechism.
- Parent asking if students could get a lesson at school on how to take the wine in mass. Many students who made their first communion during covid were not taught this and are nervous to take the wine at school masses because they have not been taught how to properly.

- Look into doing a fundraiser on a Thursday in Monroe with corn mazes etc. This could be an 8th grade fundraiser.
- Having Lieutenant Hawkins come to speak with 4-5 and 6-8th about safety, what are appropriate things to say and what are not in school, online, text messages, etc.
